Each week a radio check will be conducted on the OES radio. The test will be conducted by the Region Four Dispatch Center (Grass Valley CDF) on Tuesday morning at 0900 hrs. The check will be conducted on Channel 1 tone 1. The response to the radio traffic must include the following information:

1. Loud and clear, or unreadable
2. Status of OES 208 and 234:
  - A. Out of service
  - B. Available
  - C. Assigned out of county

D

The weekly radio check will be conducted by the clerical staff. If a radio check is not conducted by Grass Valley CDF, notify the Chief of the department. Record the radio check on the radio log provided in the radio console. If clerical staff is not available to conduct the radio check, the Operations Chief shall be notified by the clerical staff so that he/she may ensure someone is present to conduct the radio check.
