TITLE: EMERGENCY MEDICAL TECHNICIAN 1
CONTINUING EDUCATION RECERTIFICATION

As stated in the Emergency Medical Technician I policy, the District will provide skills training to the employees for the purpose of recertification. The District, however, will not be responsible for the employee's continuing education requirements set forth by the Mountain Valley EMS Agency's policy.

It shall be the responsibility of the employee to insure that he/she has fulfilled those requirements. The District does offer several of the required classes set forth by the Agency. Employees may obtain a copy of those requirements by contacting the Mountain Valley EMS Agency.

The District will cover the expense for the cost of the applicable fees required to renew employee's EMT certification. The District will **not** pay late fees or penalties.
