PUBLIC RECORDS ACT REQUEST FORM

Under the California Public Records Act (Government Code Section 6250 and following), I hereby request copies of the following documents, which are files with, retained by, or prepared by the Stanislaus Consolidated Fire Protection District (SCFPD).

To expedite your request and to eliminate opportunities for error, please fill out this form completely with as much detail as possible and identify specifically the records you are requesting. Requests should reasonably describe identifiable reports prepared, owned, used or retained by SCFPD. SCFPD is not required by law to create a new record or list from any existing records. Please note, if you are requesting to inspect/view the records stored at this office, the agency must be given time to locate and review the documents that are responsible to your request in order to comply with the provisions of the Public Records Act. You will, therefore, be requested to make an appointment to return at a later date to view the documents.
